

## **100+ Kids and Volunteers Work Cleaning up Poinciana**

On Saturday morning March 4, 2017 100+ Kids and adult volunteers worked as part of the annual Great Poinciana Cleanup. This community event was sponsored by PRFSC and Keep Polk County Beautiful as part of the nationwide Great American Cleanup program. Additional sponsors were Toho Water, New Dimensions High School, Rotary Interact Club of New Dimensions High School, Rotary Interact Club of Celebration High School and Association of Poinciana Villages Public Works Department. After the event the Rotary Club of Kissimmee West provided a lunch for all the workers at the Polk County Community Park Pavilion located in Poinciana Village 7.

The event was a tremendous success with everybody showing up for work 8 AM on Saturday morning. Workers were dispatched into multiple teams working in multiple sections of Poinciana to move trash, debris, discarded tires and whatever to the street side so that everything could be gathered by the HOA public works department on Monday morning. Four completely full industrial dumpsters were filled with debris and additional dumpster was filled with old tires that were collected. In addition claw trucks had to be dispatched to pick up furniture and appliances.

This was truly a community effort to Keep Poinciana Beautiful and make Poinciana A Better Place to Live.
