FDOT

Join thousands of volunteers nationwide during the months of March, April and May in transforming Public Spaces into Beautiful Places!

This is a great opportunity for students to earn community service hours! Volunteers are encouraged to choose a location in their local community to help clean and beautify. Lakes, roadways, rivers and parks are great locations for volunteers to participate in the Great American Cleanup. Volunteers may also join in one of our community coordinated cleanups or recycling events.

The first 2,000 volunteers, who pre-register will receive a free T-Shirt and ticket to Bok Tower Gardens (while supplies last). Cleanup volunteers are provided with garbage bags, gloves and safety vests. Additional beautification supplies are available by request.

Keep Polk County Beautiful, Inc.  
Located at: The Log Cabin @ 45 4th Street S.  
P.O. Box 123  
Eagle Lake, FL 33839
