

# Osceola Community Health Services

Osceola Community Health Services at Poinciana

*"Building a healthier future – One patient at a time"*

**We are no longer affiliated with the  
Florida Department of Health**

**However, we are great Partners!!!  
With the common GOAL of helping to  
improve the overall health of our community**

# Who are we?

- Federally Qualified Health Center providing quality health care since 2004.
- Accredited Ambulatory Health Care Center since 2009. We earned the prestigious Gold Seal of Approval as an accredited Ambulatory Health Care Center, highest achievement for quality in the country, and the Primary Care Medical Home certification by the Joint Commission.
- Our health care delivery system is based on the Primary Care Medical Home (PCMH) model
  - The PCMH care model puts patients at the forefront of care. PCMHs build better relationships between people and their clinical care teams. Research shows that they improve quality, the patient experience and staff satisfaction, while reducing health care costs.

# 2018 National Patient Safety Goals

## Ambulatory Care

Safety Goals	Organizations Should	Implemented
Improve the accuracy of patient identification.	Use of Two Patient Identifiers	
	Eliminating Transfusion Errors	
Improve the safety of using medications.	Labeling Medications	
	Reducing Harm from Anticoagulation Therapy	
	Reconciling Medication Information	
Reduce the risk of health care-associated infections	Meeting Hand Hygiene Guidelines	
	Preventing Surgical Site Infections	
Universal Protocol	Conducting a Pre-Procedure Verification Process	
	Marking the Procedure Site	
	Performing a Time-Out	

# Our Characteristics

- 501(c)(3) Not-for-Profit Organization
- Federally Qualified Health Center
- We provide a comprehensive scope of primary care services
- Serves as a safety net for the uninsured and the underinsured
- Our services are provided to all patients regardless of ability to Pay
- We have a diverse team of health care professionals committed to provide all patients with the best care in a cultural-sensitive environment
