

SR 538 WIDENING

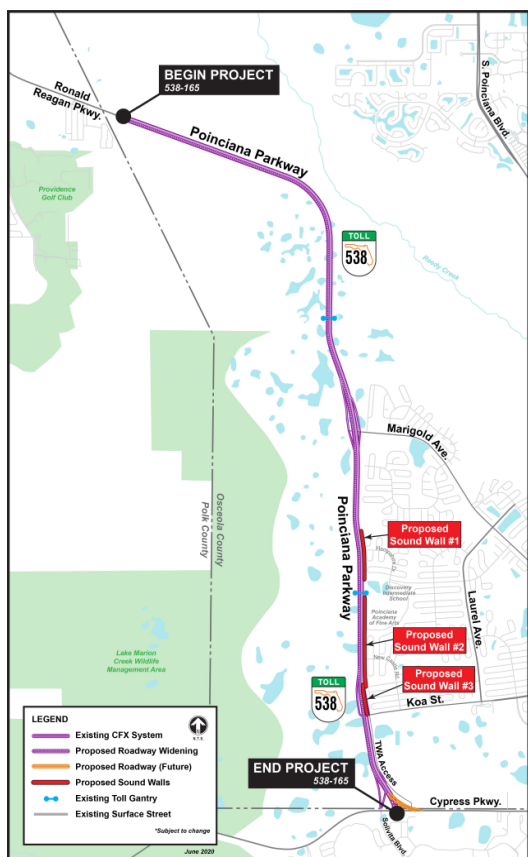

CR 580/CYPRESS PARKWAY TO RONALD REAGAN PARKWAY

PROJECT DESCRIPTION

The Central Florida Expressway Authority will be adding one lane in each direction on SR 538/Poinciana Parkway from CR 580/Cypress Parkway to Ronald Reagan Parkway. This 7-mile widening is expected to improve traffic flow and reduce congestion in the area.

The project includes three proposed sound walls; building a second bridge over the Reedy Creek Mitigation Bank; and new ramps to and from southbound SR 538/Poinciana Parkway at the existing interchange with Marigold Avenue.

PROJECT MAP (LARGER MAP ON BACK)

WHAT TO EXPECT

During construction, temporary lane closures will be necessary to accommodate work. To minimize the impact of construction to motorists, lane closures will not be permitted during peak travel times. There will be night and weekend work on this project.

WORK ZONE SAFETY

For the safety of motorists and work crews, speed limits will be strictly enforced during construction. Speeding fines are doubled in work zones when workers are present. Motorists are reminded to change lanes for safety when they see Road Rangers assisting other motorists or flashing lights — it's Florida law.

QUICK FACTS

Project Timeline:
Spring 2021 - Spring 2023

Estimated Project Cost:
\$130 Million
