

COUNTY ROAD 532/OSCEOLA-POLK LINE ROAD

LINE ROAD CAPACITY IMPROVEMENTS

WINTER 2022

DESIGN DESCRIPTION

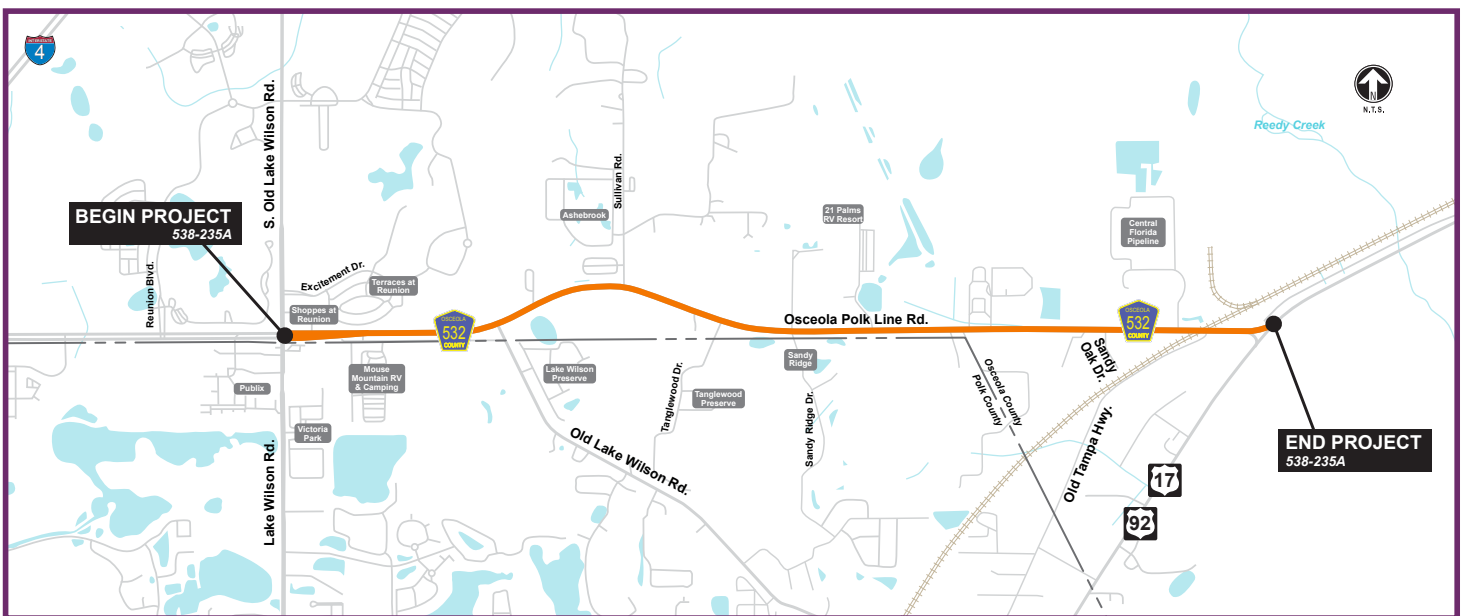

In August 2021, the Central Florida Expressway Authority (CFX), in partnership with Osceola County, began the design of the proposed capacity improvements of County Road 532/Osceola Polk Line Road from Lake Wilson Road to US 17/92. This is being done in conjunction with the planned extension of Poinciana Parkway from its northern end at Ronald Reagan Parkway to CR 532 in Osceola County.

The proposed 3-mile project would improve roadway connections between the extension of Poinciana Parkway and I-4 via CR 532/Osceola Polk Line Road.

DESIGN GOALS

- Reducing congestion and delays on local roads.
- Enhancing mobility of the area's growing population and economy by providing additional transportation infrastructure.
- Providing consistency with local plans and policies.
- Enhancing safety.
- Promoting regional connectivity.

DESIGN MAP

CENTRAL
FLORIDA
EXPRESSWAY
AUTHORITY

The Central Florida Expressway Authority (CFX) is an independent agency of the State of Florida that operates and maintains a regional network of expressways for 3.3 million residents of Brevard, Lake, Orange, Osceola, and Seminole counties and more than 75 million annual visitors to Central Florida. CFX's 125-centerline mile, user-funded system which includes 73 interchanges, 14 mainline toll plazas, 5 mainline gantries, 76 ramp toll plazas and 343 bridges. On average, more than 1.3 million toll transactions are recorded daily, over 95 percent of them electronically. CFX operates E-PASS, the first electronic toll collection system in Florida, with more than 800,000 E-PASS accounts. For more information, visit CFXway.com.
