

CENTRAL FLORIDA EXPRESSWAY AUTHORITY

January 5, 2023

Subject: **Public Information Meeting – January 17, 2023**
Poinciana Parkway Extension – Segments 1 and 2
CFX Project Number: 538-234 and 538-235

Dear Property Owner/Stakeholder:

In July 2020, the Central Florida Expressway Authority began designing a new four-lane expressway, known as the State Road 538/Poinciana Parkway Extension from Ronald Reagan Parkway to County Road 532. This project is expected to improve traffic flow in the area as well as provide an additional mobility option for drivers as growth continues in Osceola County.

The extension has been designed as two segments. Segment 1, from Ronald Reagan Parkway to south of US 17/92 includes nearly a half mile bridge over wetlands within the Reedy Creek Mitigation Bank; Segment 2 extends the new four-lane expressway from south of US 17/92 to CR 532. Segment 2 also includes an interchange at US 17/92, tolled ramps at CR 532 and bridges over the CSX railroad, Old Tampa Highway and US 17/92.

As part of the design of this project, a public information meeting is being held both in-person and virtually on **Tuesday, January 17, 2023**. Please see below for details on how to participate:

In-person meeting

- 5:30 p.m. – 7:30 p.m.
- Reunion Resort & Golf Club – Grande Meeting Room E
7593 Gathering Drive
Kissimmee, FL 34747

Online/Virtual meeting

- 6 p.m. – 7:30 p.m.
- Pre-register at <https://bit.ly/SR538ExtensionVPM> (Link is case sensitive)

During the in-person and virtual meetings, the design team will present plans, answer questions and solicit feedback from attendees.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require accommodations under the Americans with Disabilities Act or persons who require translation services, free of charge, should contact Kevin Camara as noted below at least seven (7) days prior to the meeting.
